Re: Written Testimony in Support of the Early Voting Amendment Bill, HJR 161.

Dear Chairpersons Flexer and Fox, and Committee Members:

Thank you for the opportunity to submit this written testimony in support of HJR 161, a "**Resolution Proposing an Amendment to the State Constitution to Allow for Early Voting and No-Excuse Absentee Voting.**"

My name is sxxxx, (add your organizational affiliation, if any), and I am submitting testimony in strong support of **HJR 161**.

(Your testimony -- *Writing persuasive testimony.* Often the most persuasive testimony is based on personal experience. You or someone you know has experienced the problem that is to be addressed by the bill, describes the experience and makes convincing arguments that the solution proposed through the bill would address that problem.)

It's time to join 40 other states and give us greater access to voting by making it more convenient here in CT. I urge you to consider your constituents' wishes, vote in favor of HJR 161, and allow us to have a say on early voting.

Thank you.

Sincerely,

Potential Final Actions

Joint Favorable (“JF”):

The bill, with no changes, is recommended for passage by the full House and Senate.

Joint Favorable Change of Reference:

The bill as written is recommended for passage, but first must be considered by (“is referred to”) another committee with jurisdiction on the bill.

Joint Favorable Substitute (“JFS”):

The bill is passed favorably from the committee with either technical or substantive changes to make it recommended for passage by the full House and Senate.

Consent Calendar:

A group of bills voted on, without debate, by a single roll call vote. A single member may have a bill removed from the consent calendar merely by asking.

What happens next? After the Committee deadlines?

Bills that are ready will go to the House and Senate for screening.

- Each Caucus has a Screening Committee
- Decisions are reflected in a daily “Go List”

Bills that are put on the “Go List” make it to the House and Senate floor and if voted favorably will make it to the Governor’s desk.

Other avenues to advocate for a bill

- Writing public op-eds
- Circulating petitions and letters
- Public demonstrations
- Join an existing organization or movement
- Voice your support or opposition to your local party and local stakeholders

Note: Once a bill gets a final action voted on by a committee that does not mean you should stop applying pressure. Conversations are still occurring with senate and house leadership and stakeholders to consider which bills get voted on.
