- Each DCC member and alternate is assigned to serve on one committee. Members and alternates are welcome to attend other meetings and may participate in deliberations.

Qualifications and Election of Alternates

- Must be a registered Democrat for at least 1 year preceding their election.
- Must be a resident of Stamford for at least 1 year preceding their election.
- Reside in the district from which they are elected.
- The two DCC Members nominate one alternate for their district. Alternates are voted onto the committee by a majority vote of the members.

Role of the Alternate

- Alternates may always participate in discussion at DCC meetings, and they serve on standing committees.
- Alternates may vote at general DCC meetings if they are seated by the Chair to fill in for an absent member.
